The initial step toward widening
Main and Broad Streets was made last
night at a meeting of the Council Committee on Streets. A resolution was issued by the War Department regard-

and from Ninth to Adams on Broad Street.

It was explained that from time to time merchants appear before the Street Committee and request permission to display their wares on the sidewalk. This has caused some merchants who did not care to do so, to go to the expense of making a display in order to compete in business. So many complaints have been made about congestion on the sidewalks that the committee determined to take Fergusson.

Must Paint Poles.

A resolution introduced by Councilman Lynch requiring all persons erecting poles for electric wires in the city to keep them painted and repaired, was adopted. It was explained by Mr. Lynch that there is an ordinance requiring poles to be painted, but there is no provision that they shall be repainted. The resolution was referred to the City Attorney and the City Electrician with the request to draw an ordinance, carrying out the objects of the resolution and amending all or-
